## **DIRECTIONS TO THE POWER HOUSE**

The Power House is located at 88 Feeder Road, St. Philips, Bristol, BS2 0TH.

If you are on Feeder Road with the canal on your left, you will come to 4 bridges overhead, all close to each other, including the St Phillips Causeway flyover, and some foot bridges. After the first foot bridge, turn immediately right into the gate of the Western Power business park.

The Power House is in the a business park, along with Western Power's Avon Bank Depot and a number of other companies. Drive 100m into the business park and the Power House is the first building on your right with the white door, right opposite Kenneth Steele House.

Please note: some Satnav systems try to direct you to the postcode through the back of the business park. However, this road is inaccessible and you will need to come to the Power House directly from Feeder Road instead.

Parking is just past the Power House on the right hand side. If there are no spaces left, then in the evening you can park in the row of spaces directly opposite The Power House (outside Kenneth Steele House).
